

Washington Elementary School PTA Fundraiser 2021

READ-A- THON

From between November 19 and December 5th students can have fun and help support the PTA and school through reading. Our goal is to raise \$20,000 that will pay for our music, art and garden programs, class field trips and classroom supplies. Any amount raised is appreciated!

The classroom with the most student participation will receive a class trophy and each student will receive a special goodie bag.

Emails have been sent to parents and guardians with links to their students pledge page which you can also find here:

<https://app.99pledges.com/fund/washington229>.

Help less privileged kids discover the gift of reading! Drop off your unused books at the office!.
